**HAPPY BIRD DAY:** On Thanksgiving day, Chef **Marcos DeOliveira** and his staff prepared a delicious feast featuring a traditional New England Thanksgiving menu. Several Marlborough Girl Scouts volunteered their time to help serve dessert, homemade pumpkin pie prepared by Pastry Chef **Brian Roderick**.

A number of residents hosted friends and family at New Horizons. Pictured left to right, resident **Lora Askinazi**, a Marlborough Girl Scout, an Askinazi guest, and resident **Cliff Askinazi** enjoy dessert in the Concord Dining Room.

**HOLIDAY HAPPENINGS:** The holiday season is in full swing at New Horizons! Activities Coordinator **Amber Goldberg** has planned a full slate of holiday events for the month of December. Kick off the holiday season by enjoying the Hot Cocoa Bar every Sunday in December at 11:00 AM in the French Village.

Building holiday parties began with the 370/Cottages party on December 12 and the 400 party on December 15. 420/Villas residents will gather on December 19 at 11:30 AM, while Memory Care residents will celebrate with family members on Christmas Day.

Holiday music fans have plenty of opportunities to enjoy some festive songs, including a sing-along with **Marlborough Girl Scouts** on December 15. Later that afternoon, the newly reconstituted **New Horizons Chorus** gives a holiday concert in the Atrium. **Joey B-Bop** will perform holiday music on December 17. Residents **Sandee Valenti** and **Marie Martin** play holiday piano favorites on December 18. And on December 22, **St. Matthias Catholic Church Carolers** arrive for a sing-along at 3:15 PM.

This year, Hanukkah begins on December 25. The menorah lighting kicks off at 4:00 PM in the Wayside Theater and continues on each day of Hanukkah at the same time. All menorah lightings will take place in the theater with the exception of Friday, December 27, when it will happen as part of the Shabbat Service in the 420 Theater.

Finally, join fellow residents to see out 2024 and prepare to welcome 2025 on December 31 at 2:30 PM in the O'Connor Town Common. Enjoy hors d'oeuvres, champagne, white Russians, or soft drinks while listening to music of the 1950s-1970s with musician **Jeff Jarvis**.
