**RESIDENTS TOAST TO LOVE:** Residents enjoyed a special menu, cocktails, and conversation at each building's Valentine's Day party. Every person received a special Valentine's Day rose. **BRINGING ART TO LIFE:** Memory Care residents visited Worcester Art Museum, giving them the opportunity for additional socialization, engagement, and visual stimulation. Pictured above, left to right: **Sue Clark**, **Callie Carmosino**, and **Sophie Mazokopos** pose in front of one of the exhibits.

**GET YOUR PRESCRIPTIONS AT HOME:** With the imminent closing of Walgreens' Farm Road location, many residents are deciding on a new pharmacy. **Brian Bouvier** owns Bouvier Pharmacy, a 125-year-old Marlborough institution with a satellite location inside New Horizons, next to the French Village.

Brian came to New Horizons to educate residents about Bouvier's services, including its concierge pharmaceutical programs.

Bouvier services include:

- Convenient prescription pick-up and delivery options
- Working with your insurance company to synchronize your prescriptions' start date so all will be filled at the same time
- Packing your medicines in customized Medication on Time cards to ensure you don't miss any pills

Pictured above, Brian shows an example of Bouvier Medication on Time packaging.

To transfer your prescriptions to Bouvier, fill out the online form located at <https://form.jotform.com/240864342148154> or the printed forms available at the front desk. Completed paper forms may be returned to the receptionist.

## MEET OUR NEW RESIDENTS

**ALAN COHEN:** Alan was born and raised in New York City, where he attended public schools and The City College of New York. He was married to **Rita**, who passed away in April, for 58 years. He has two children and five grandchildren.

Alan worked in high tech and retail sales and served in the National Guard. He enjoyed traveling, visiting Israel, Mexico, and several European countries, Caribbean Islands, and US locations. He likes cooking, concerts, and meeting his neighbors at New Horizons.

**JOHN AND BETTY MAGUIRE:** John and Betty are natives of Ireland — John is from Cork while Betty grew up on a farm 100 miles east of Dublin. They met at a party in Toronto, Canada and married in 1963. They worked as travel agents; John was also a tour guide for trips to Ireland, England, and Scotland. They have four children and seven grandchildren.

They were accomplished tennis players, and won many matches playing both singles and mixed doubles as a couple.

John and Betty are fluent Gaelic speakers and love socializing, sing-alongs, exercise, and anything to do with the Titanic. John has a personal connection to the famous ship, which was built down the street from his childhood home — his grandfather worked on the Titanic, welcoming passengers aboard when it was docked in Ireland.

**DEBORAH PARKER:** Deborah grew up in the Dorchester neighborhood of Boston. She was married to **Sylvester** for 58 years. They lived in Holbrook and had three children, four grandchildren, and two great-grandchildren.

Deborah moved to New Horizons to be closer to her family. She enjoys sewing, movies, and monthly mystery rides at New Horizons.
